Overall Length:

10.000 inches

Overall Height:

0.920 inches

Overall Width:

4.260 inches

End Application:

C-17a

Current Rating:

62.100 milliamperes

Voltage In Volts And Current Type:

115.0 ac

General Description:

Average luminance is not less than 15.0 foot lamberts; light color is anvis green a; item coated in gray polyurathane except for lens and connector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
