AeroBase Group

View Online at https://aerobasegroup.com/nsn/6220-01-480-7965

Overall Length:

4.870 inches

Overall Width:

2.500 inches

Overall Thickness:

Between 0.207 inches and 0.253 inches

End Application:

Pdu/cnu/mc130

Indicator Type:

Light

Panel Material:

Plastic

Special Features:

5 volts

Special Markings:

Ddio

Specification Data:

81343-as7788 professional/industrial association specification

Specification Or Standard:

1-nvis green a class and 5 type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T122-b
