Overall Length:

5.625 inches

Overall Height:

2.875 inches

End Application:

Sh-2 (a) helicopter

Mounting Configuration:

Two mounting holes one at each end, center position from top to bottom

Indicator Type:

Light

Unpackaged Unit Weight:

0.220 pounds

Special Features:

Nha pn kc84453; panel, information-exterior lights

Quantity:

7

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T122-b
