Overall Length:

12.000 inches

Overall Height:

0.080 inches

Overall Width:

3.250 inches

Unthreaded Mounting Hole Diameter:

0.166 inches single mounting facility

End Application:

C-17 aircraft

Accommodated Item Securing Device Type:

Flange

Mounting Facility Type And Quantity:

6 unthreaded hole single mounting facility

Special Features:

Original name: bezel, light

Material:

Aluminum alloy 6061

Style Designator:

Rectangular with/without mounting holes

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A062a0
