Thread Direction:

Right-hand

Mounting Device Quantity:

2

End Application:

Ea-6b aircraft

Mounting Method:

Screw

Thread Series:

Unc

Thread Quantity:

40 per inch

Criticality Code Justification:

Agav

Product Name:

Inavy) eyebrow light assembly (nvis green a)

Special Features:

Eyebrow light assembly has one lamp cap sub-assembly. Light assembly is used with mach/airspeed indicator

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A528d0
