Hazardous Locations/environmental Protection:

Shock resistant and vibration proof

Overall Length:

7.875 inches

Overall Diameter:

8.062 inches

Lens Color:

Amber

Light Function:

Signal

Voltage Rating In Volts:

120.0 ac

Mounting Method:

Pipe

Product Name:

Strobe light

Special Features:

50/60 hz; current 0.100 amps

Material:

Plastic polycarbonate case

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
