Overall Length:

0.680 inches

Overall Height:

0.820 inches

Effective Width:

0.820 inches

End Application:

C-130 amp cmb

Product Name:

Indicator cap assembly

Special Features:

Nomenclature visible only when illuminated; nvis compatible

Color:

Green, aviation filter

Material:

Aluminum filter

Style Designator:

Flat

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528d0
