Overall Height:

8.500 inches

Overall Diameter:

5.700 inches

Voltage Rating In Volts:

12.0 dc and 24.0 dc

Mounting Method:

Pipe

Product Name:

131st starfire strobe warning light

Special Features:

1/2" pipemount; type 3r, ip45 enclosure; operation temp: max: 150 degrees f, min: -31 degrees f; flash rate/minuter: 80

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
