End Application:

Aircraft

Product Name:

Led push button indicator

Special Features:

High reliability, full spectrum, type i, ii, iii, iv only, unsealed withemi shielding per mil-prf-22885f

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900

Mil-std (military Standard):

Mil-prf-22885f spec.
