| End Application: |
|-----------------------------------------------------------------------------------------|
| C135-fr |
| Voltage In Volts And Current Type: |
| 28.0 dc |
| Product Name: |
| Сар |
| Special Features: |
| Unsealed w/emi; monentary, single circuit, 1 common; full face legend, 1e; common anode |
| Shelf Life: |
| N/a |
| Unit Of Measure: |
| |
| Demilitarization: |
| No |
| Fiig: |
