Overall Length:

2.00 inches

Overall Diameter:

2.00 inches

Emitted Light Characteristic:

Red

Voltage Rating:

Between 9.0 volts and 32.0 volts

Product Name:

165 piranha led clearance & side marker light

Special Features:

5 diode 2inch round sealed led combination light; multiple voltage;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07900
