Overall Length:

0.750 inches

Overall Height:

0.185 inches

Overall Width:

0.750 inches

Lamp Type Accommodated And Quantity:

1 light emitting diode

Product Name:

Vivisun led switch

Special Features:

Indicator only; dash number at the end of part number represent the assigned artwork part number by aerospace optics at the time of customer request

Specification Data:

96906 mil-prf-2285f government standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A065a0

Mil-std (military Standard):

Mil-prf-2285f spec.
