Overall Height:

12.812 inches

Lamp Base Type Accommodated:

Double contact miniature flanged

End Application:

Light nav, mas

Voltage Rating In Volts:

12.0 ac

Lamp Type Accommodated And Quantity:

1 incandescent

Lens Type And Quantity:

1 round, shouldered

Product Name:

Combination masthead and white all round anchor light

Material:

Zinc alloy body

Surface Treatment:

Chromium body

Shape:

Round

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
