Wiring Provision Method:

Individual wire

Wiring Provision Length:

12.000 inches single provision

Voltage Rating In Volts:

250.0 ac

Mounting Method:

Unthreaded hole

Features Provided:

Retractable reel

Special Features:

W/o guard

Material:

Aluminum alloy body

Surface Treatment:

Paint body

Terminal Type And Quantity:

2 wire lead

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A06300
