Overall Length:

33.625 inches

Overall Height:

3.000 inches

Overall Width:

3.875 inches

Lamp Base Type Accommodated:

Medium screw

Wiring Provision Method:

Cable assembly

Illumination Directing Device Type:

Reflector

Light Adjustment Method:

Swivel joint

Wiring Provision Length:

72.000 inches single provision

Features Provided:

Switch

Special Features:

Cable termination w/plug

Material:

Steel illumination directing device

Surface Treatment:

Enamel body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
