Hazardous Locations/environmental Protection:
Electromagnetic radiation suppressive
Lens Color:
Colorless
Lens Transparency:
Transparent
End Application:
Ec-130e aircraft
Voltage Rating In Volts:
120.0 ac
Lamp Type Accommodated And Quantity:
1 fluorescent
Special Features:
400 hz; swivel ring and hook on one end and a 21 foot cord with hubbell type 23005 plug on the other
Material:
Plastic bodyplastic lens
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A06300
