Hazardous Locations/environmental Protection:

Watertight and vaportight

Lamp Type Accommodated And Quantity:

1 mercury vapor

Special Features:

250 watt; 60 hertz; multi-tap 120/208/240/277 volts

Material:

Aluminum body

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
