Hazardous Locations/environmental Protection:

Heat resistant

Lamp Base Type Accommodated:

Recessed single contact

Lens Color:

Colorless

Lens Transparency:

Transparent

Light Beam Motion:

Fixed

End Application:

Strategic sealift conversion ships class

Voltage Rating In Volts:

120.0 ac or 120.0 dc

Material:

Stainless steel body

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
