Overall Length:

16.312 inches

Overall Height:

3.500 inches

Overall Width:

7.625 inches

Lamp Base Type Accommodated:

Miniature bipin

Lens Color:

White and colorless

End Application:

Misc parts li; virginia class submarine

Voltage Rating In Volts:

120.000 ac

Mounting Method:

Flush

Lamp Type Accommodated And Quantity:

3 fluorescent

Lamp Protection Device:

Clear/white prismatic window

Special Features:

Complete fixture with three 8 watt t5 lamps; modified

Material:

Aluminum body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
