Overall Length:

7.500 inches

Overall Height:

0.750 inches

Overall Width:

2.000 inches

Light Beam Motion:

Fixed

Mounting Method:

Portable

Lamp Type Accommodated And Quantity:

1 ultraviolet

Lens Type And Quantity:

1 rectangular

Product Name:

Broad-beam uv light

Special Features:

Tubular bulb which emits light with a wavelength of 365 nm; has on/off switch; has 4-watt uv bulb and built-in white-light flashlight; runs on 4 aa batteries

Material:

Plastic body

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A06300
