Overall Length:

1.500 inches

Overall Height:

15.500 inches

Overall Width:

2.250 inches

Lens Color:

Red

Wiring Provision Method:

Individual wire

Light Adjustment Method:

Flexible gooseneck

End Application:

Nsn: 5895-01-526-8477; data analysis center.

Numeric Designator:

Sdi 4102-12

Voltage Rating In Volts:

12.0 dc

Mounting Method:

Unthreaded hole

Special Features:

Includes 3 way switch, off, low, high.

Surface Treatment:

Paint body

Terminal Type And Quantity:

2 wire lead

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
