Lens Color:

Colorless

Lens Transparency:

Transparent

Light Beam Motion:

Fixed

End Application:

Boat, area search 40 foot (40as0401)

Voltage Rating In Volts:

120.0 ac

Lamp Type Accommodated And Quantity:

1 incandescent

Product Name:

Halogen floodlight

Special Features:

For use on decks & holds, industrial support areas; 1000 watt, 12 degree narrow beam, silicone insulated, heat resistant up to 180 degrees c, includes exterior connection box

Material:

Stainless steel body

Surface Treatment:

Anodize reflector

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
