**Lens Color:**

Colorless

**Lens Transparency:**

Transparent

**Light Beam Motion:**

Fixed

**End Application:**

Boat, area search 40 foot (40as0401)

**Voltage Rating In Volts:**

120.0 ac

**Lamp Type Accommodated And Quantity:**

1 incandescent

**Product Name:**

Halogen floodlight

**Special Features:**

For use on decks & holds, industrial support areas; 1000 watt, 12 degree narrow beam, silicone insulated, heat resistant up to 180 degrees c, includes exterior connection box

**Material:**

Stainless steel body

**Surface Treatment:**

Anodize reflector

**Shape:**

Rectangular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A06300
