Light Beam Motion:

Adjustable: 1 to 15 degrees

Voltage Rating In Volts:

12.0 dc

Product Name:

High intensity light

Special Features:

Hard body, water proof carrying case, 10 ft cord, 12 volt charging unit, strap and 850 nm near infrared filter

Shape:

Round

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
