Lens Color:

White

End Application:

Multi mission capable

Product Name:

Inforce white

Special Features:

Lithium powered, one hand operation, water resistant, solid state technology circuitry and leds are shock resistant, cqb strobe, pulse, and three levels of light intensity

Material:

Carbon fiber body

Shape:

Round

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A06300
