Numeral I are with a
Overall Length:
2.600 inches
oltage Rating In Volts:
.5 dc
ens Type And Quantity:
flat, round
Battery Type And Quantity Required:
dry
Special Features:
led lights creating a white beam; 30 lumens; 1h runtime; 62m beam distance; 967cd peak beam intensity; water resistant
flaterial:
sluminum body
Shape:
Round
urnished Items And Quantity:
battery
Shelf Life:
I/a
Init Of Measure:
-
Demilitarization:
lo .
iig:
06300
