Lens Color:

Colorless

Voltage Rating In Volts:

12.0 dc or 24.0 dc

Mounting Method:

Swivel bracket

Product Name:

Hswk-75 halogen lamp w/pivoting head

Special Features:

Heat dissipating hed design allow for safer operation; ip-65 water proof protected for wet applications where coolant, oil and fluids are exposed; 4 holes mounting base is intended for secure permanent installation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A06300
