Lens Color:

Orange

Lens Transparency:

Transparent

Wiring Provision Method:

Cable

Fragility Factor:

Moderately rugged

Light Function:

Signal

Battery Type And Quantity Required:

1 dry

Product Name:

Light system assembly, model wab-h12

Special Features:

Ref: component maintenance manual 25-60-12

Terminal Type And Quantity:

1 cable w/connector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
