Overall Length:

5.938 inches

Filament Designation:

2c-9

Average Life Rating In Hours:

750.0

Filament Heavy Duty Service Rating:

Not rated

Emitted Light Characteristic:

White

Wattage Rating:

50.000 watts and 100.000 watts and 150.000 watts

Base Style:

Three contact medium screw

Bulb Style:

Ps (pear shape, straight neck)

Bulb Designator:

Ps-25

Bulb Light Transmission Characteristic:

Translucent

Rated Average Life:

Hours

Burning Position:

Any acceptable

Special Features:

Filament material tungsten

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07900
