**Overall Length:**

0.406 inches

**Filament Designation:**

C-6

**Filament Heavy Duty Service Rating:**

Not rated

**Emitted Light Characteristic:**

White

**Base Style:**

Surgical screw

**Bulb Style:**

T (tubular)

**Bulb Designator:**

T-3/4

**Bulb Light Transmission Characteristic:**

Transparent

**Current Rating For Which Designed:**

0.275 amperes

**Rated Average Life:**

Indefinite long

**Burning Position:**

Any acceptable

**Special Features:**

Tungsten filament material

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A07900
