Wire Lead Length:

1.500 inches

End Application:

Aircraft, f-16

Emitted Light Characteristic:

Colorless

Voltage Rating:

Between 550.000 volts and 600.000 volts

Base Style:

Wire leads, down

Bulb Light Transmission Characteristic:

Transparent

Special Features:

45 min/55 maximum flashes per minute

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07900
