**Overall Length:**

1.620 inches

**Overall Height:**

0.500 inches

**Overall Width:**

0.622 inches

**End Application:**

Block 50, aircraft, f-16

**Special Features:**

Surface treatment is dyed black

**Material:**

Aluminum alloy 6061

**Material Specification:**

Sae-ams-qq-a-250/11, t651 assn standard single material response

**Surface Treatment:**

Anodize

**Surface Treatment Specification:**

Mil-a-8625, type 2, class 2 military specification single treatment response

**Style Designator:**

Irregular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A062a0

**Mil-std (military Standard):**

Mil-a-8625 spec.
