Light Output Rating:

95.000 lumens single rating

End Application:

Operator, sig pro, universal las/tac, blas, molad with full size head

Voltage Rating:

6.000 volts

Product Name:

6 volt bulb assemblby tl-2

Special Features:

Two 3 volt duracell cr123a lithium; high pressure

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07900
