**Emitted Light Characteristic:**

Infrared

**Voltage Rating:**

28.000 volts

**Current Rating For Which Designed:**

0.080 amperes

**Test Data Document:**

1mz58-20619948 standard (includes industry or association standards, individual manufactureer standards, etc.).

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A07900
