Overall Length:

7.130 inches

Overall Diameter:

0.375 inches

Wire Lead Length:

0.500 inches

End Application:

Nsn 4940-01-471-6396; electronic shop, transportable; w/s: missile, patrol

Emitted Light Characteristic:

Red

Voltage Rating:

125.000 volts

Special Features:

Semi-dome rings; lens - red; body material - polycarbonate; wire gage - 20;

Terminal Type And Quantity:

Wire leads

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07900
