Light Output Rating:

3700.000 beam candlepower single rating

End Application:

Model ef-3 flashlight

Voltage Rating:

3.000 volts

Base Style:

Single contact miniature flanged

Bulb Style:

B (arbitrary designation)

Product Name:

Lamp, miniature kpr-102

Special Features:

Operating temperature: negative 20 degrees celsius to positive 54 degrees celsius; illumination tim (fresh battery) : 120 minutes

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07900
