# Body Material:

Plastic, melamine

Mounting Material:

Steel

# **Terminal Quantity:**

2

## **Terminal Type:**

Screw

## Hazardous Locations/environmental Protection:

Explosion proof nec cl. I, gp. Cd

Outside Diameter:

0.875 inches

#### **Overall Height:**

0.375 inches

## Mounting Device Quantity:

2

#### **Mounting Method:**

Unthreaded holes

## Shell Material:

Brass

## Lamp Base Type Accommodated:

Medium screw

## Shell Surface Treatment:

Nickel plated

## Mounting Feature Type:

Surface

## Voltage In Volts:

120.0

## Style Designator:

Plain

### Shelf Life:

N/a

## Unit Of Measure:

--

#### Demilitarization:

No

## Fiig:

A09400
