Body Material:

Plastic

Terminal Quantity:

1

Terminal Type:

Unthreaded hole

Hazardous Locations/environmental Protection:

Not rated

Overall Length:

2.000 inches

Overall Height:

0.875 inches

Overall Width:

1.687 inches

Mounting Device Quantity:

1

Mounting Method:

Unthreaded holes

Shell Material:

Brass and steel

Lamp Base Type Accommodated:

Single contact candelabra prefocus

Shell Surface Treatment:

Zinc plated

Current Rating In Amps:

10.0

Voltage In Volts:

24.0

Special Features:

Fits in 0.625 in. Diameter hole twist lock mtg

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A09400
