Body Material:

Steel

Mounting Material:

Steel

Terminal Quantity:

2

Terminal Type:

Solder lug

Hazardous Locations/environmental Protection:

Corrosion resistant

Width:

0.438 inches

Outside Diameter:

0.437 inches

Overall Height:

0.750 inches

Mounting Device Quantity:

1

Mounting Method:

Bracket

Shell Material:

Steel

Lamp Base Type Accommodated:

Miniature bayonet

Shell Surface Treatment:

Zinc plated

Mounting Feature Type:

Surface

Bracket Mounting Hole Diameter:

0.156 inches

Mounting Bracket Style:

Down

Height:

0.562 inches

Style Designator:

Candelabra

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A09400
