Body Material:

Plastic

Terminal Quantity:

2

Terminal Type:

Wire lead

Hazardous Locations/environmental Protection:

Any acceptable

Overall Length:

1.062 inches

Overall Height:

0.312 inches

Overall Width:

0.750 inches

Mounting Device Quantity:

2

Mounting Method:

Holes for screws

Mounting Feature Type:

Surface

Wiring Provision Length:

18.000 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A09400
