Body Material:

Ceramic and steel

Mounting Material:

Steel

Terminal Quantity:

2

Terminal Type:

Solder lug

Overall Length:

1.250 inches

Overall Height:

1.062 inches

Overall Width:

1.250 inches

Center To Center Distance Between Mounting Holes:

0.875 inches

Mounting Device Quantity:

2

Mounting Method:

Holes for screws

Lamp Base Type Accommodated:

Two pin prefocus

Mounting Feature Type:

Surface

Special Features:

Includes mtd lamp extractor

Style Designator:

Keyless

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A09400
