Body Material:

Porcelain

Terminal Quantity:

2

Terminal Type:

Wire lead

Wattage Rating In Watts:

250.0

Outside Diameter:

1.875 inches

Overall Height:

1.750 inches

Mounting Device Quantity:

2

Mounting Method:

Holes for screws

Lamp Base Type Accommodated:

Medium prefocus

Mounting Feature Type:

Surface

Wiring Provision Length:

6.000 inches

Special Features:

Accommodates mercury arc lamp

Style Designator:

Wire leads

Supplementary Features:

Polarity must be observed when making electrical connections

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A09400
