**End Application:**

Control box

**Supporting Object/surface Attachment Method:**

1" mounting hole

**Product Name:**

Base, indicator

**Special Features:**

Thread size, no6-32, watertight

**Material:**

Brass

**Material:**

Copper alloy

**Surface Treatment:**

Chromium

**Surface Treatment:**

Chrome plated

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T08100
