End Application:

Control box

Supporting Object/surface Attachment Method:

1" mounting hole

Product Name:

Base, indicator

Special Features:

Thread size, no6-32, watertight

Material:

Brass

Material:

Copper alloy

Surface Treatment:

Chromium

Surface Treatment:

Chrome plated

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T08100
