Body Material:

Aluminum err-100 err-100

Terminal Quantity:

2

Terminal Type:

Screw

Wattage Rating In Watts:

250.0

Outside Diameter:

1.380 inches

Overall Height:

2.375 inches

Shell Material:

Aluminum

End Application:

G07ccs

Product Name:

Medium base complete, aluminum shell incandescent lampholder, removable turn knob, single circuit, 1/8 ips tapped bushing w/set screw, brass.

Special Features:

Removable turn knob, single circuit, style: electrolier, finish: polished gilt, standards and certificates: ul/csa

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A09400
