# NSN 6320-01-539-0994

Shipboard Salinity Monitoring And Alarm System Panel - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6320-01-539-0994

### **Criticality Code Justification:**

Zzzy

## **Reference Number Differentiating Characteristics:**

Material will be in accordance with navicp activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

### Unit Of Measure:

---

## Demilitarization:

No

Fiig:

T122-f
