End Application:

Preprovisioning support navicp is poe

Usage Design:

Aircraft

Product Name:

Ice detector sensor

Special Features:

Cover is lusterless gray finish color no 36231

Supplementary Features:

3.58 inch in dia, prop base 1.375 inch dia

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T394-a
