Terminal Quantity:

2

Terminal Type:

Screw

Hole Diameter:

0.406 inches

Overall Length:

9.625 inches

Overall Height:

5.875 inches

Overall Width:

10.715 inches

Mounting Hole/stud Quantity:

3

Environmental Protection:

Weather resistant

Terminal Thread Size And Series/type Designator:

6-32 unc

Housing Material:

Brass

Inclosure Feature:

Watertight

Loudness Level In Decibels:

112 db, 10 ft

Sound Projector Quantity:

1

Sound Projector Type:

Trumpet

Mounting Bracket:

Provided

Special Features:

Terminal thread class 2

Surface Treatment:

Painted

Fsc Application Data:

General purpose

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T104-e
