Hole Diameter:

0.312 inches

Overall Height:

6.000 inches

Overall Width:

6.000 inches

Dc Voltage Rating:

Between 12.0 volts and 24.0 volts

Mounting Hole/stud Quantity:

2

Inclosure Feature:

Watertight

Loudness Level In Decibels:

107 decibels porm 4 db measured 4 ft.

Sound Projector Type:

Beep

Operating Power Type:

Electric

Err Default:

Err default

Special Features:

Yellow enamel; polarity protected; universal mounting bracket; alarm mounted to vehicle and will sound each time the vehicle is placed in reverse

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T104-d
