**Hole Diameter:**

0.312 inches

**Overall Height:**

6.000 inches

**Overall Width:**

6.000 inches

**Dc Voltage Rating:**

Between 12.0 volts and 24.0 volts

**Mounting Hole/stud Quantity:**

2

**Inclosure Feature:**

Watertight

**Loudness Level In Decibels:**

107 decibels porm 4 db measured 4 ft.

**Sound Projector Type:**

Beep

**Operating Power Type:**

Electric

**Err Default:**

Err default

**Special Features:**

Yellow enamel; polarity protected; universal mounting bracket; alarm mounted to vehicle and will sound each time the vehicle is placed in reverse

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T104-d
